Erasmus Mundus

Septembre 2012

Le monde s'ouvre à vous !

Choose an
ERASMUS MUNDUS
Master or a PhD Programme !

VOUS RECHERCHEZ UNE FORMATION D'EXCELLENCE RECONNUE AU NIVEAU INTERNATIONAL ?

A la rentrée 2012, Erasmus Mundus vous propose 131 cursus de master et 34 programmes de doctorat dans de multiples disciplines.

- Vous suivrez votre formation dans 2 pays européens au minimum.
- Vous obtiendrez un diplôme double (2 pays différents), multiple (plus de deux), ou conjoint (commun à tous les partenaires).
- Vous évoluerez dans un environnement multiculturel, plurilinguistique, parmi des étudiants, des doctorants et des enseignants formés dans les meilleures universités du monde.
- Vous pourrez candidater pour une bourse Erasmus Mundus.

VOUS DÉSIREZ PARTICIPER À CE PROGRAMME ?

Ces masters et doctorats sont ouverts à tous, que vous soyez de nationalité française, européenne ou non-européenne.

- Allez sur le site Internet du cursus de master (EMMC) ou de doctorat (EMJD) qui vous intéresse pour connaître le détail des enseignements, les prérequis et les modalités de candidature.
- Candidatez directement auprès du coordinateur du master ou du doctorat que vous avez sélectionné.
- Il n'est pas nécessaire que votre établissement actuel ou pays de résidence soit impliqué. Il ne s'agit pas d'un programme d'échanges.

Tous ces cursus ont été sélectionnés pour leur qualité scientifique et académique par la Commission européenne.

Pour plus d'information (classement des cursus par discipline, critères de sélection et bourses), allez sur le site de la Commission européenne : http://eacea.ec.europa.eu/erasmus_mundus/results_compensia/selected_projects_en.php

LOOKING FOR WORLD-KNOWN TOP-CLASS MASTERS OR PHD PROGRAMMES?

For the 2012/2013 academic year, Erasmus Mundus gives you access to 131 Masters courses and 34 PhD programmes in a wide range of disciplines.

- You will study in at least 2 European countries.
- You will be awarded a double (2 different countries), a multiple (more than two) or a joint diploma.
- You will integrate a multicultural and multilingual environment, with students and teachers trained in the best universities in the world.
- You will have the opportunity to apply for an Erasmus Mundus grant.

YOU WANT TO PARTICIPATE

These Masters courses and PhD programmes are open to everyone, European and non-European students.

- Visit the website of the Erasmus Mundus Master Course (EMMC) or Joint Doctorate (EMJD) of your interest to learn more about the study programme, the admission criteria and the enrolment procedure.
- Apply directly to the coordinator of the EMMC or EMJD you have selected.
- Your current university or country does not need to be involved. It is not an exchange programme.

All these Masters courses and PhD programmes have been carefully selected by the European Commission for their high academic and scientific standards.

i You can find more information (list of Erasmus Mundus Masters and PhD programmes by fields of study, selection criteria and grants), on the European Commission website:
http://eacea.ec.europa.eu/erasmus_mundus/results_compensia/selected_projects_en.php

P. 68

9 cursus de master Erasmus Mundus n'ont pas été renouvelés lors de l'appel à propositions 2011. En conséquence, ils n'offrent pas de bourses Erasmus Mundus. Néanmoins, chacun de ces cursus de master a reçu le « Brand name Erasmus Mundus » par lequel il s'engage à maintenir les prérequis et le niveau d'excellence attendus d'un EMMC.

9 Erasmus Mundus Masters Courses were not re-selected under the 2011 Call for proposals. As a consequence no Erasmus Mundus scholarships will be available for the 2012 intake of these Masters Courses.

Each of these courses has been awarded an Erasmus Mundus Brand Name (EMBN) by which it commits itself to maintain the requirements and level of excellence expected from an EMMC.

Agriculture and Veterinary

- AFEPA - European Master in Agricultural, Food and Environmental Policy Analysis
- AGRIS MUNDUS - MSc in Sustainable Development in Agriculture
- **NEW !** EM-SANF - Erasmus Mundus Master Course Sustainable Animal Nutrition and Feeding
- EMAE - European Master in Applied Ecology
- EMBC - Erasmus Mundus Master of Science in Marine Biodiversity and Conservation
- EMFOL - Food of Life
- EUMAINE - European Master of Science in Nematology
- euSYSBIO - erasmus Mundus Master's Course in euSYSBIO Systems Biology
- Food ID - European Master Food Identity
- FIPDes - Food Innovation and Product Design
- IMHS - International Master in Horticultural Sciences
- IMRD - International Master of Science in Rural Development
- **NEW !** MEDFOR - Mediterranean Forestry and Natural Resources Management
- MScEF - Master of Science in European Forestry
- SUFONAMA - Sustainable Forest and Nature Management
- SUTROFOR - Erasmus Mundus Masters Course in Sustainable Tropical Forestry
- VINIFERA EuroMaster - European Master of Science of Viticulture and Enology
- VINTAGE - Master International Vintage, Vine, Wine and Terroir management

Health and Welfare

- AFEPA - European Master in Agricultural, Food and Environmental Policy Analysis
- bhealth - BioHealth Computing EM
- CEMACUBE - Common European Master's course in Biomedical Engineering
- ECOHYD - Erasmus Mundus Master of Science in Ecohydrology
- **NEW !** EDAMUS - Sustainable Management of Food Quality
- EMCL - European Masters in Clinical Linguistics
- **NEW !** EMECC NURSING - Emergency and Critical Care Nursing
- EMFOL - Food of Life
- EMSEP - European Masters in Sport and Exercise Psychology
- EMMEP - Erasmus Mundus Minerals and Environmental Programme
- EUROAQUAE - Euro Hydroinformatics and Water Management
- EUROPUBHEALTH - European Public Health Master
- FloodR - Flood Risk Management (FloodRisk)
- GEM - Master of Science course in Geo-Information Science and Earth Observation for Environmental Modelling and Management
- GeoTech - Master of Science in Geospatial Technologies
- IMACS - International Master in Advanced Clay Science
- IMETE - International Master of Science in Environmental Technology and Engineering
- IMRD - International Master of Science in Rural Development
- MESPOM - Master of Science in Environmental Sciences, Policy and Management
- MBIO - Erasmus Mundus Master of Bioethics
- NEURASMUS - A European Master in Neuroscience: Advanced Courses and Research Training
- SUTROFOR - Erasmus Mundus Masters Course in Sustainable Tropical Forestry
- tropEd - European Master in International Health

Science, Mathematics and Computing

- ALGANT - International integrated Master course in Algebra, Geometry and Number Theory
- ASC - Master of Science: Advanced Spectroscopy in Chemistry
- ASTROMUNDUS – Astrophysics
- ATOSIM - Atomic Scale Modelling of Physical, Chemical and Bio-molecular Systems
- bhealth - BioHealth Computing EM
- CIMET - Color in Informatics and Media Technology
- COSSE - Computer Simulation For Science and engineering
- CSSM - Complex Systems Science
- **NEW !** DESEM - Erasmus Mundus MSc in Dependable Software Systems
- DMKM - Data Mining & Knowledge Management
- EM3E - Erasmus Mundus Master in Membrane Engineering
- EMCL - European Master's Program in Computational Logic
- EMDC - European Master in Distributed Computing
- EMECS - European Master Embedded Computing Systems
- EMM-Nano - Erasmus Mundus Master in Nanoscience and Nanotechnology
- EMQAL - European Joint Master in Quality in Analytical Laboratories
- EUROAQUAE - Euro Hydroinformatics and Water Management
- EUROPHOTONICS - Master in Photonics Engineering, Nanophotonics and Biophotonics
- euSYSBIO - erasmus Mundus Master's Course in euSYSBIO Systems Biology
- FloodR - Flood Risk Management (FloodRisk)
- FUSION-EP - European Master in Nuclear Fusion Science and Engineering Physics
- GEM - Master of Science course in Geo-Information Science and Earth Observation for Environmental Modelling and Management
- IM in NLP & HLT - International Masters in Natural Language Processing and Human Language Technology
- IMACS - International Master in Advanced Clay Science
- IMSE - International Master in Service Engineering
- **NEW !** IT4BI - Information Technologies for Business Intelligence
- M.E.S.C. - Master in Materials for Energy Storage and Conversion
- MATHMODS - Mathematical Modelling in Engineering: Theory, Numerics, Applications
- MEME - Erasmus Mundus Master Programme in Evolutionary Biology
- MERIT - Master of Science in Research on Information and Communication Technologies
- MFSc - Master in Forensic Science
- NEURASMUS - A European Master in Neuroscience: Advanced Courses and Research Training
- NORDSECMOB - Master's programme in Security and Mobile Computing
- SERP-Chem - International Master in Surface, Electro, Radiation, Photo – Chemistry
- SPACEMASTER - EMMC in Space Science and Technology
- TCCM - Euromaster on Theoretical Chemistry and Computational Modelling
- WIBOT - Erasmus Mundus Masters in Vision and Robotics
- WACOMA - Erasmus Mundus Master in Water and Coastal Management
- WOP-P - Master in Work, Organizational and Personnel Psychology

Engineering, Manufacture and Construction

- AMASE - Joint European Master Programme on Advanced Materials Science and Engineering
- CEMACUBE - Common European Master's course in Biomedical Engineering
- COSSE - Computer Simulation For Science and engineering
- CSSM - Complex Systems Science
- DMKM - Data Mining & Knowledge Management
- ECOHYD - Erasmus Mundus Master of Science in Ecohydrology
- EM3E - Erasmus Mundus Master in Membrane Engineering
- EMARO - European Master in Advanced Robotics
- EMDC - European Master in Distributed Computing
- EMDiReB - European Master in Diagnosis and Repair of Buildings
- EMIN - Erasmus Mundus Joint Master in Economics and Management of Network Industries
- EMECS - European Master Embedded Computing Systems
- EMMEP - Erasmus Mundus Minerals and Environmental Programme
- EMM-Nano - Erasmus Mundus Master in Nanoscience and Nanotechnology
- EMSHIP - European Education in Advanced Ship Design
- EMTM - European Master in Tourism Management
- EU4M - European Union Master's Course in Mechatronic and Micro-mechatronic Systems
- EURHEO: European Masters in Engineering Rheology
- EUROAQAE - Euro Hydroinformatics and Water Management
- EUROPHOTONICS - Master in Photonics Engineering, Nanophotonics and Biophotonics
- euSYSBIO - erasmus Mundus Master's Course in euSYSBIO Systems Biology
- **NEW !** EWEM - European Wind Energy Master
- FAME - Functionalised Advanced Materials and Engineering
- FIPDes - Food Innovation and Product Design
- FloodR - Flood Risk Management (FloodRisk)
- Food ID - European Master Food Identity
- FUSION-EP - European Master in Nuclear Fusion Science and Engineering Physics
- GIM - MSc in Global Innovation Management
- IMACS - International Master in Advanced Clay Science
- IMFSE - International Master of Science in Fire Safety Engineering
- JEMES - Joint European Master Programme in Environmental Studies
- MACLANDS - MAster of Cultural LANDScapes
- MAMASELF - Master in Material Science exploiting European Large scale Facilities
- MAPNET - Masters on Photonic Networks engineering
- MATHMODS - Mathematical Modelling in Engineering: Theory, Numerics, Applications
- MEEES - Masters in Earthquake Engineering and Engineering Seismology
- MERIT - Master of Science in Research on Information and Communication Technologies
- MESPOM - Master of Science in Environmental Sciences, Policy and Management
- MIND - Erasmus Mundus Master's programme in Industrial Ecology
- MUNDUS URBANO - Interdisciplinary Erasmus Mundus Master Course International Cooperation and Urban Development
- reCity - Erasmus Mundus Master Course in City Regeneration
- SAHC - Advanced Masters in Structural Analysis of Monuments and Historical Constructions
- SEFOTECH nut - European MSc in food science, technology and nutrition
- SELECT - Environmental Pathways for Sustainable Energy Systems
- SPACEMASTER - EMMC in Space Science and Technology
- STeDe - Erasmus Mundus Master in Sustainable Territorial Development
- **NEW !** STEPS - Erasmus Mundus Master Course in Sustainable Transportation and Electrical Power Systems
- **NEW !** SUSCOS - Sustainable Constructions under Natural Hazards and Catastrophic Events
- THRUST - Erasmus Mundus Master's Course in Turbomachinery aeromechanics University Training
- VINTAGE - Master International Vintage, Vine, Wine and Terroir management

Humanities and Arts

- **NEW !** CHOREMUNDUS - International Master in Dance Knowledge, Practice and Heritage
- CLE - Master/Laurea Specialistica en Cultures Littéraires Européennes
- CWCN - Crossways in Cultural Narratives
- EM SIE - Erasmus Mundus Masters in Special and Inclusive Education
- EMCL - European Masters in Clinical Linguistics
- EMGS - Global Studies - A European Perspective
- EUROCLTURE - Europe in the Wider World
- EUROMIME - Master européen en Ingénierie des Médias pour l'Éducation
